

The personal data protection authorities present at the First inter-network meeting organized by the CNDP Morocco have issued this press release:

Press Release

1ST ATLANTIC INTERNETWORK MEETING OF DATA PROTECTION AUTHORITIES

Rabat, 26 September 2024

The first Atlantic Inter-Network Meeting of Personal Data Protection Authorities, organized by CNDP (the National Commission for the Control of Data Protection of Morocco), took place from 25 to 26 September 2024, in the city of Rabat/Morocco. The participants discussed areas of common interest as well as opportunities and challenges related to personal data protection serving as a basis for collaboration and cooperation.

The aforementioned high-level meeting was attended by representatives of the African Network of Personal Data Protection Authorities (NADPA-RAPDP), the Ibero-American Data Protection Network (RIPD), the Lusophone Data Protection Network (RLPD), the European Data Protection Board (EDPB), the European Commission, the African Union, and Smart Africa.

In this first meeting, visions and work strategies of each Network were presented, in particular regarding Neurodata and Neurotechnology, Digital Identity for Access to Public Services, Artificial Intelligence and Deep Fakes, as well as possible avenues for cooperation and collaboration among Networks.
